Current Problem:

I, _____ (the customer) therefore comprehend that the warranty that was given to me by iFix Appliance Repair Inc (The organization) is restricted and applies just for the part that was supplanted or repaired.

The warranty will Not include any of alternate parts in the machine.

The warranty does not make a difference regardless of exorbitant or non--standard use.

The warranty does not cover obstructs of any sort.

The warranty won't be as a result for a situation of a wrong utilization, and/or any harm that was brought on specifically or in a roundabout way by the client.

The warranty won't be as a result if any outside articles enter the pumps, engines or any other mechanical parts.

At the point when utilizing the warranty administration:

It is my understanding that a charge of \$80+ HST will be connected if the first diagnostics does not coordinate the starting issue.

The administration call charge will be waved on the off chance that I choose to repair the machine once more
